Prevent your electronic devices from accidental drops or shocks while moving. griPad, clings to your dashboard or center console and clings to anything that's placed on it. Your cell phone, sunglasses or anything that's placed on griPad will not slide off. It leaves no residue, is reusable and can be washed when it gets dirty. No glue is used, so no residue is left on your dash board or devices placed on griPad, like mobile phones, GPS, cameras, car keys etc. Clean the surface well before applying griPad on the flat surface of your dashboard. When the pad becomes dusty and begins to lose it's stickiness just wash and pat dry and the sticky mat will be as sticky as when it was new. Compact, lightweight & easy to use.
