 - EAN model GNE-116G: 5904730198127

The compact design, almost silent and exceptionally aesthetic model of the GOTIE air humidifier. With its small dimensions, it may be placed on any bedside table, and silent run will not disturb even the lightest sleep. It is fitted with smooth control of mist output and a water container for up to 16 hours of operation. Recommended for a children’s room.
