

## Technical data Sheet

REV 00 of 20.10.2012

# MOBELREINIGER

## Furniture Cleaner

### DESCRIPTION:

Polishing product for all lacquered and varnished surfaces, MÖBELREINIGER is a special blend of precious oils and root extracts. Specially developed to remove halos and discolorations caused by deterioration of the wood fibre and by humidity. It deeply cleans the treated surface bringing back its natural brightness.

### CHEMICAL/PHYSICAL CHARACTERISTICS:

Form: liquid  
Colour: light red

### HOW TO USE:

Apply the product with a cloth, and briefly wait for it to act. After re-polishing, a protective veil will be obtained, that will preserve the natural beauty of the treated furniture, perfuming it with a pleasing smell.

### STORAGE:

Store in a cool, well ventilated place, keep the container closed when not in use. Keep away from heat, flames, sparks and other sources of ignition.

### PACKAGING:

The product comes in 250 mL, 500 mL, 1 L and 5 L sized cans.

### WARNING:

Our technical sheets are compiled on the bases of results of our tests. Nevertheless our technical advice is given in good faith, but without a guarantee. Indeed different supports, conditions, applications, installations, dilutions are integrating parts of the final result and often beyond every control. The user must test the supplied products to verify if it is adaptable for his/her needs.

We can guarantee the continuity of the physical and chemical characteristics.
