pH	3.0 max

ORGANOLEPTICS

Color	Typical
Taste	Typical not cooked
Flavour	Typical of fresh fruit

MICROBIOLOGICS

	Aseptic
Total count (CFU/mL)	Not Detected
Yeasts (CFU/mL)	Not Detected
Moulds (CFU/mL)	Not Detected

FILLING

Aseptic

PACKAGING

Drums 250 Kg Net Weight
Bag in Box 20Kg Net Weight

STORAGE

Refrigerated

SHELF LIFE

12 months at 4 - 10 °C

TERMÉKSPECIFIKÁCIÓ
Szamóca sűrítmény

OBSERVATIONS

PRODUCT CONDITIONS:

The product is prepared in accordance with the "General Principles of Food Hygiene" recommended by the Codex Alimentarius Commission.

CODING AND LABELLING:

The packaging materials comply with the requirements of the relevant version of the Regulation (EC) No 1934/2004 and its implementation measures. Packing list and Certificate of Analysis are provided for each delivery.

ALLERGENS:

The product does not contain substances having allergic properties for which labeling is required, as defined in Directive 2007/68/EC amending Annex IIIA to Directive 2000/13/EC of the European Parliament and of the Council as regards certain food.

GMO:

No GMO have been used in the processing of the product. All ingredients are considered NOT genetically modified or not derived from genetically modified organisms as defined by the EC Regulations 1830/2003/EC on genetically modified food and feed and their amending legislation.

PESTICIDES & HEAVY METALS:

The product complies with regulation (EC) No 1881/2006 and subsequent amendments. The product complies with regulation (EC) No 396/2005 and subsequent amendments on maximum residue levels of pesticides.

This product specification describes the composition and properties of our product to the best of our knowledge. It replaces all previous versions and this technical specification will come into force with the acceptance of the contract without any signature need. Due to raw material variations deviations from this specification may occur within good manufacturing practice in order to standardize our product. The permissibility of our product may be limited to certain applications. It's the duty of the user to insure that the use of our product and the placing on the market of the food made with it complies with local applicable legal requirements, taking into consideration specific needs.
