

Eppendorf Certificate

Certificate of Purity – guaranteed quality

This package contains a high-quality consumable manufactured under the guaranteed quality Eppendorf Purity Standard.

The Eppendorf guaranteed quality consumables are produced in an ISO class 8 clean room environment according to ISO 14644-1.

Through the use of high-quality raw materials and continuous in-process controls during production, Eppendorf certifies for this product the following relevant product and quality specifications:

- > function, tightness, precision
- > low wetting
- > high chemical resistance
- > high centrifugation stability
- > high transparency
- > precisely shaped

Inspection records are reviewed and approved by qualified personnel for product release.
