Brilliant sound, exceptional comfort

Sennheiser's MB Pro Series offers premium wireless Bluetooth® headsets for business professionals on the move who demand high quality audio for speaker and listener – and exceptional wearing comfort.

The MB Pro Series features Sennheiser Room Experience™ technology*, which reduces listener fatigue for all day users by giving them the impression they are having a conversation with a person in the same room. This realistic sound provides a more natural and comfortable listening experience with less stress in noisy environments.

BENEFITS & FEATURES

- **Natural listening experience**
With Sennheiser Voice Clarity
- **Perfect speech transmission**
Ultra noise-cancelling microphone
- **Outstanding high definition audio quality**
With high-quality neodymium speaker
- **Multimedia and music listening**
Automatic sound-enhancement profile
- **Multi-connectivity**
Seamlessly manage softphone/PC and mobile phone calls from a single headset
- **Exceptional wearing comfort and powerful sound**
Large leatherette ear pads for all day comfort
- **Talk for hours**
Up to 15 hours for all day use
- **Natural and comfortable listening**
Room Experience™ technology* for a more realistic sound and increased call comfort
- **Acoustic shock protection**
ActiveGard® technology protects users against acoustic injury caused by sudden sound burst on the line

The MB Pro Series offers wireless communication freedom, brilliant sound and excellent wearing comfort. See all six headsets variants in the table overview on page 3.
