Faster*, Easier and Smarter

More effective calc clean with calc container

The Philips steam iron Azur Performer Plus combines powerful performance with ease of use. The Built-In calc container for effective calc removal for long lasting steam performance, Auto steam control and SteamGlide Plus soleplate .

Fast and powerful performance

- 2400W for quick iron heat up
- Steam output of up to 45 g/min for better crease removal
- Steam boost up to 180g

Easy gliding on all fabrics

- SteamGlide Plus soleplate: Our best gliding, faster ironing

Comfortable ironing

- Auto Steam Control for the right steam for each garment
- Triple precision tip for optimal control and visibility
- Optimal weight for easier manoeuvrability over your garments

Calc solution

- Built-In calc container collects calc during ironing
- Self-Clean for effective calc removal

Highlights

2400W for quick heat up

With the 2400W the Azur Performer Plus steam iron will heat up quickly and give a powerful performance to deliver super ironing results.

Auto Steam Control

Auto Steam Control takes away your worry for selecting the amount of steam you need. Just select the temperature for the garments you're ironing and off you go.

Built-In calc container

Our specially designed and built-in calc container collects calc particles during ironing. The Self Clean process flushes the calc out of the iron to maintain consistent ironing performance day after day.

Steam up to 45 g/min

Continuous steam output of up to 45 g/min gives you the perfect amount of steam to efficiently remove all creases.

Triple Precision Tip

The pointed tip on the Philips Azur Performer is very precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. The Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Self-Clean

In addition to the built-in calc container, the self-clean function of your soleplate will remove the most stubborn calc. A clean soleplate will improve your steam performance and ironing results.

SteamGlide Plus soleplate

Our best gliding SteamGlide Plus soleplate to whizz through your ironing. The carefully designed vents secure a well balanced steam distribution.

Optimal weight

The iron has the optimal weight to move easily over any garment, making ironing less of a hassle and easy to constantly place the iron on the board and back to its heel rest.

Steam boost up to 180g

Steam boost up to 180g for fast removal of even the most stubborn creases.
