- Data la particolare lavorazione del materiale, non è possibile garantire la perfetta uniformità del colore tra le diverse partite. Si consiglia pertanto alla clientela di non mescolare, durante la produzione, pezze appartenenti a lotti diversi.
- Due to the peculiar manufacturing process of these materials it is not possible to guarantee a perfect colour uniformity for different product lots. We consequently recommend to the customers not to mix during production lots belonging to different lots.
- Compte-tenu de la particulière finition du produit, une variation de la couleur peut se produire d'une fabrication à l'autre, donc on conseille à la clientèle de ne pas mélanger, pendant la production, pièces appartenentes à lots divers.
