NANO EXPRESS WAX

PROFESSIONAL SPEED WAX

- Nano technology carnauba-based wax delivers incredible speed of application and durable protection for paintwork.
- This high end polish is both fast and easy to use.
- Wax a complete car in 30 minutes or less!
- Leaves a 'wet-look' high gloss long lasting finish which repels dirt and water for easy repeat cleaning.
- Developed for all modern paint finishes including HS, Ceramic Clear Coat etc.
- Low chalk formula minimises marking of rubber and plastic trim.

Directions for Use:

Ensure paint surface is clean and avoid working in direct sunlight. Shake well before use.

Apply a small amount of Nano Express Wax to a clean moist XPERT-60 Polish Applicator Pad.

Spread a thin, even coat across the paint surface.

Allow to 'haze' and use a clean, dry XPERT-60 Microfibre Detailing Cloth to buff to a high gloss shine.

Code: XP-90015

Pack size: 500ml

For additional information see relevant Safety Data Sheet.
