

cocciopesto

Lo Stucco ai granelli di Terracotta!

Stucco decorativo a base di grassello di calce contenente all'interno granelli di Cocciopesto; l'effetto finale è caratterizzato dalle "sfiammature" tipiche del Cocciopesto, e dall'effetto traslucido tipico dello stucco a calce.

A photograph of a room with a textured, light-colored wall. In the foreground, a wooden bookshelf is filled with books. On top of the bookshelf, there is a large, ornate, gold-framed mirror. To the right of the mirror is a silver desk lamp. The mirror reflects a dark wooden desk with two red vases on it. The text "Lime putty with Terracotta grains!" is overlaid on the left side of the mirror's reflection.

Lime putty with Terracotta grains!

Decorative lime putty with cocchiopesto grains, combining the “sfiamature” effect typical of the cocchiopesto and the lime putty translucent quality.

Известковая штукатурка с терракотовыми гранулами!

Декоративная известковая штукатурка с гранулами жженой глины, имеет «пылающий» эффект, типичный для cossioresto и известковых штукатурок с полупрозрачным эффектом.

I colori di questo catalogo sono indicativi, poiché riprodotti tipograficamente; per garantire una più affidabile resa cromatica è indispensabile l'uso del catalogo real Effect.
The colours reproduced in this catalogue may differ slightly from their originals; for more faithful colour reproduction, use a real Effect catalogue.
