

Coils for electrical actuation

Part no.:: 3019736
Product description: COIL 230AG -50-1836

Characteristic	Value / Characteristic / Information
Diameter	36 mm
Height [mm]	52,00
Kind of voltage	AC
Length	50 mm
Length [mm]	61,00
Nominal Voltage	230 v
Type of electrical connection	Connector EN 175301
Use	Solenoid operated directional
Width [mm]	38,00
