

# F218

GLAZE FILLER

EXCELLENT  
ADHESION!

- > 2K self-levelling, finishing polyester filler (glaze) with excellent adhesion over all metal surfaces.
- > Easy application and premium filling properties.  
Can be also applied with brush or by hand on difficult spots.
- > Spreads smoothly on uneven surfaces without pinholes.
- > Blend-in with any HB BODY filler in order to improve their workability and sanding
