

LOGIClink

Personal Lite

Straight to the point.

DESCRIPTION

Accessible. LOGIClink Personal Lite is an exceptional entry-level offering that delivers coronavirus-safe, Bluetooth-enabled, and hands-free control in a sleek, attractive package. By focusing solely on the features most needed by you, we've created a cost-effective no-touch control element that doesn't compromise on performance or safety: LOGIClink's hands-free design provides both peace of mind to hygiene-conscious users and an excellent solution to the post-COVID regulations for offices.

FEATURES

- Cleanable with agents that can eliminate COVID-19
- Hands-free control with Bluetooth connectivity
- Compatibility with MOTION@work App for Android and iOS
- Compatibility with LOGICDATA Control Boxes, including the DYNAMIC MOTION system
- Up/Down buttons for manual table control

MOTION@work APP

- Sit/Stand movement control
- Memory positions
- Position display in cm/inch
- Statistics (sit/stand cycles, utilization information)
- Personal goals and ergonomic tips
- Availability: Google Play Store (Android), App Store (iOS)
