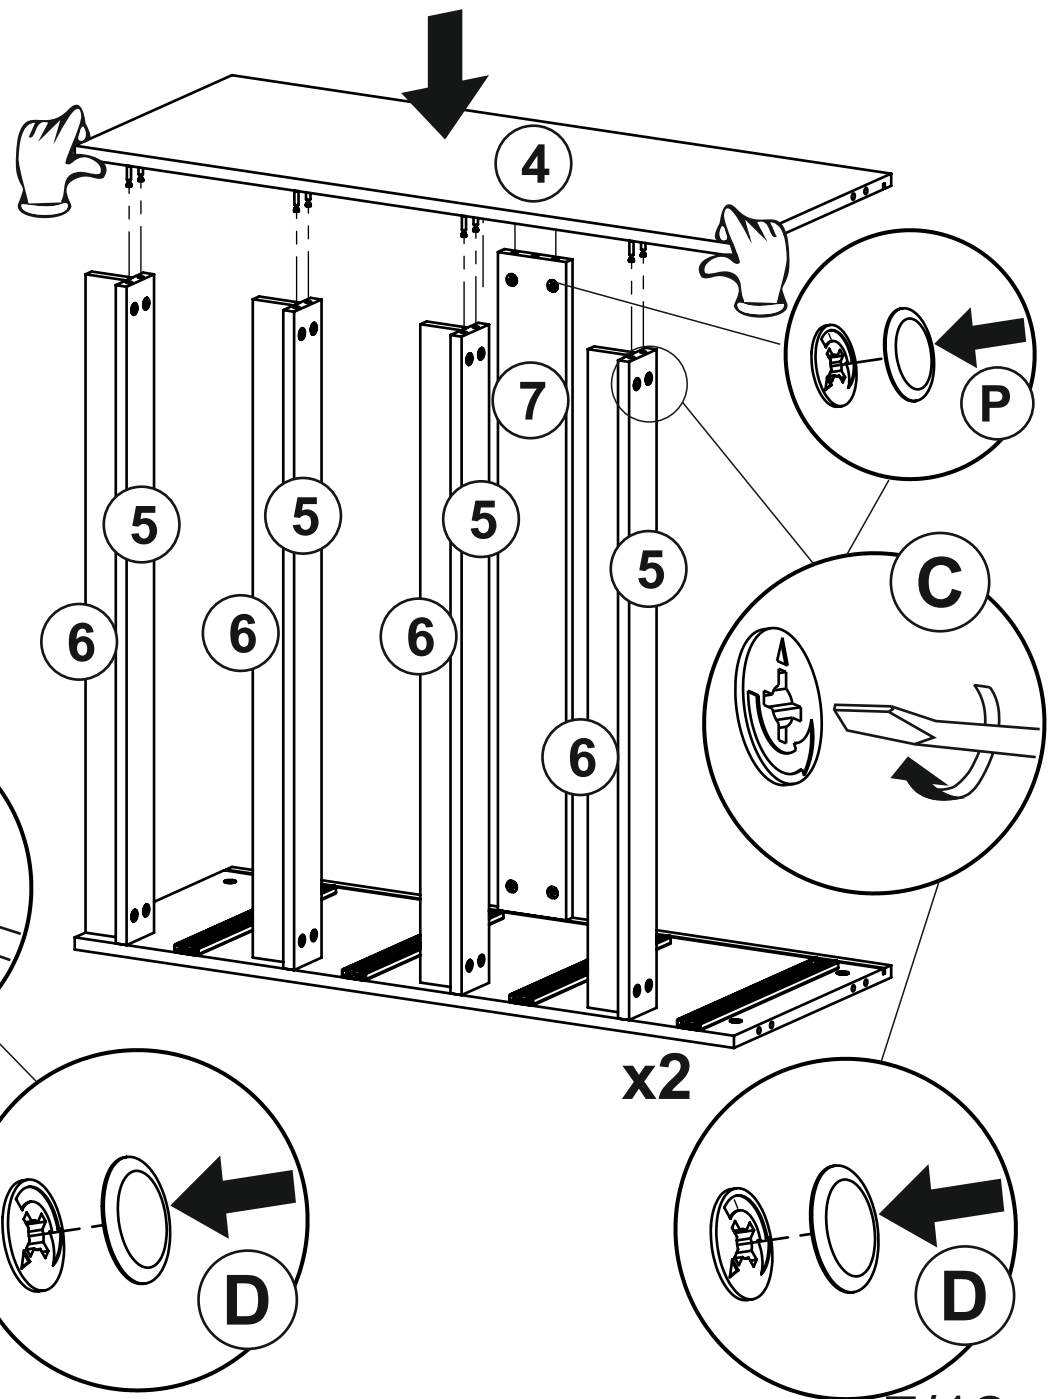

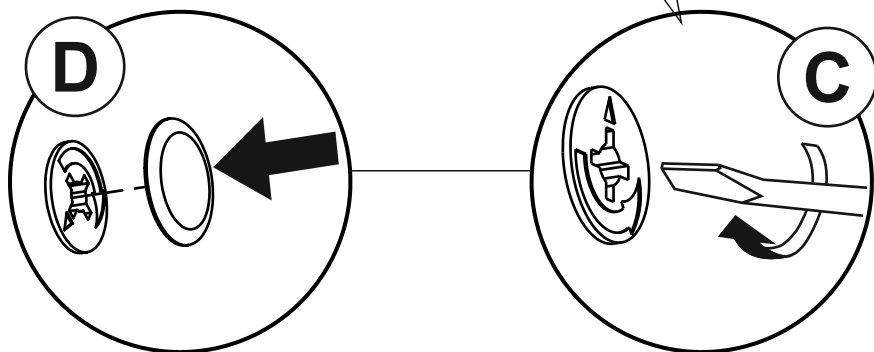

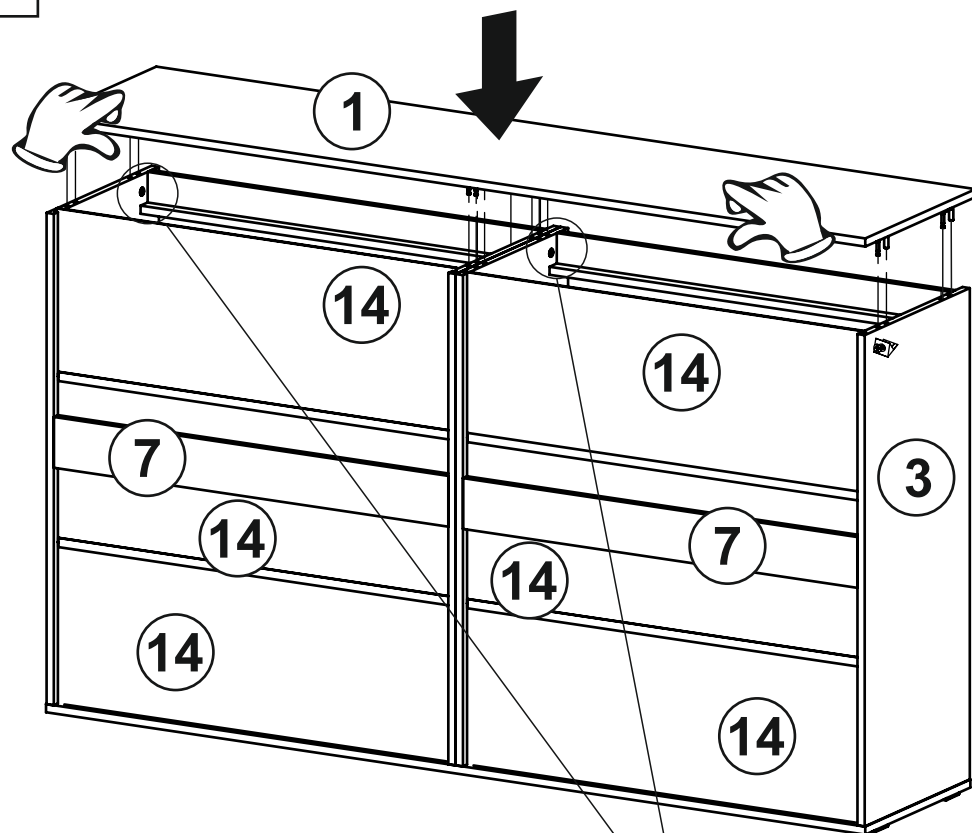

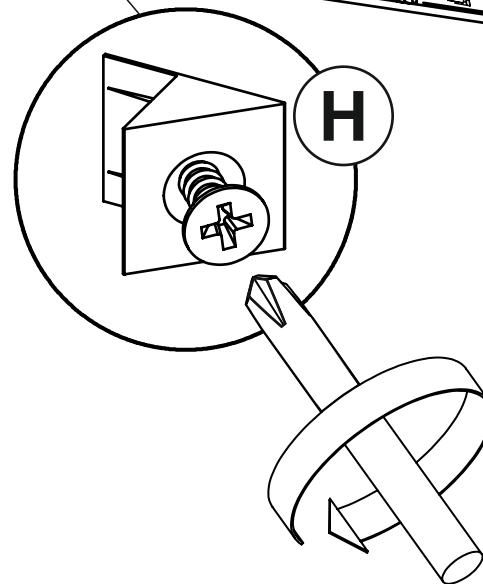

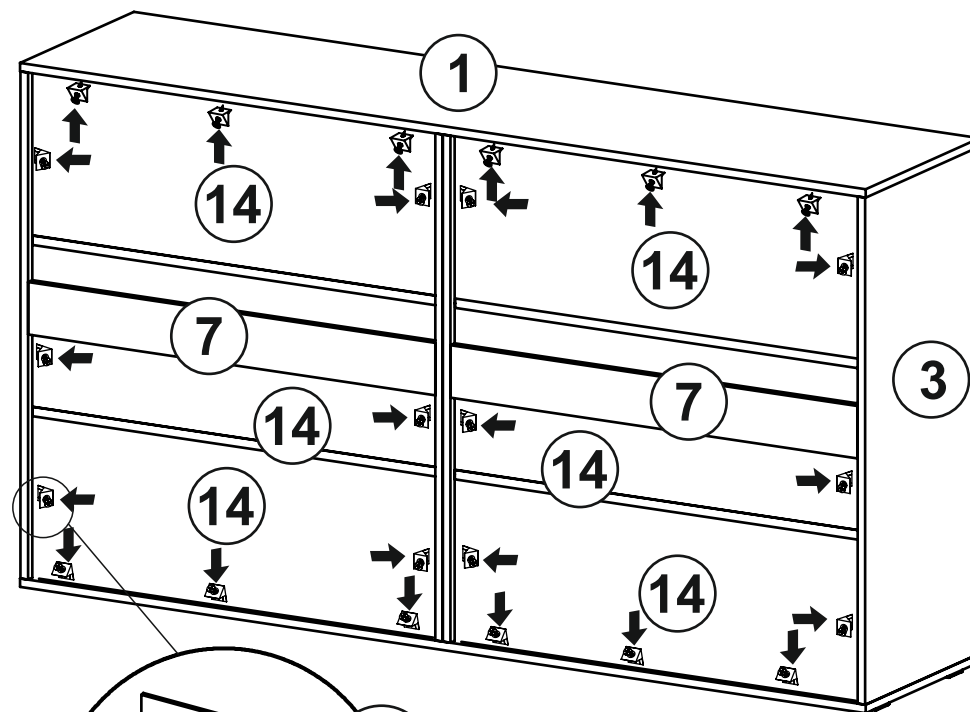

Diagram 8 illustrates the process of attaching the side panel (3) to the shelving unit. The unit is shown with shelves (7) and dividers (4) already in place. The side panel (3) is being attached to the right side of the unit. The diagram shows the side panel being aligned with the shelves and dividers. The bottom of the side panel is being attached to the base of the unit. The diagram includes two circular callouts: (C) shows a close-up of the side panel being attached to the shelves, and (D) shows a close-up of the side panel being attached to the base of the unit.
