

# 12V to 28V20A Boost Power

## Supply Specification

<b>Product model</b>	HN560-12 -28			
<b>Output current</b>	0~30A			
<b>Output power</b>	840W			
<b>brand</b>	Avenge Angel			
<b>Input voltage</b>	DC(11-16)V			
<b>Output voltage</b>	DC28V			
<b>Voltage accuracy</b>	±1%			
<b>Load regulation rate</b>	±0.2%			
<b>Linear adjustment rate</b>	±0.2%			
<b>No-load current</b>	≤60mA			
<b>Ripple</b>	<180mV			
<b>Conversion efficiency</b>	95%			
<b>Modular nature</b>	DC-DC non-isolated power modules			
<b>Ingress protection</b>	IP68			
<b>Operating</b>	-35℃~+80℃			

<b>temperature</b>		
<b>Dimensions</b>	Length 100 * width 113 * height 35mm	
<b>Net weight of finished products</b>	700g	
<b>Wiring</b>	Terminal	
<b>Protection features</b>	Over-current, over-voltage, over-temperature	
<b>Warranty time</b>	1 year
