Gentili Signori

I nostri servizi per la creazione di indumenti da lavoro e per la protezione dipendenti comprendono le seguenti fasi:

1. *Una visita alla vostra azienda da parte del nostro stilista-designer per raccogliere dati sulle specificità della vostra attività, sulle vostre priorità in fatto di abbigliamento e sui gradi e tipi di protezione richiesti. Offriamo anche la possibilità di elaborare il vostro logo aziendale e di creare un "brand book" stilizzato per la vostra azienda.*

2. *Creazione di bozzetti di tute da lavoro sulla base di modelli preconcordati, tenendo conto dei colori aziendali. Utilizziamo materiali certificati progettati per la produzione di abbigliamento da lavoro.*

3. *Realizzazione di modelli di abbigliamento da lavoro che soddisfino le norme di sicurezza sul lavoro, le condizioni climatiche e le mansioni professionali dei vostri dipendenti.*

4. *Catalogazione della documentazione di progettazione in conformità ai requisiti della normativa sulla tutela della sicurezza sul lavoro.*

5. *Cucitura di un lotto di capi per i vostri dipendenti. Se necessario, forniamo anche servizi di sartoria su misura presso la vostra sede, soprattutto se hanno taglie o caratteristiche corporee non standard.*

6. *L'assistenza successiva per la vostra azienda comprende piccole riparazioni degli indumenti, la cucitura di nuovi capi in caso di cambiamento dei dipendenti e la sostituzione degli indumenti in base al ciclo di vita e agli standard igienici.*
