DH 6001 Mono Headphones

A **SHURE**® Company

DH 6001 Mono Headphones

- Mono headphone for discussion units, conference units and digital receivers
- Excellent listening quality
- Lightweight construction with strong steel band supported headband
- Exchangeable soft earpads

Description

The DH 6001 H is a comfortable, light weight, dynamic mono-delegate headphone with a strong steel-band supported headband. Only a single cable is attached to the headphone. The earpieces are equipped with easily replaceable soft earpads for hygiene purposes.

The unit is equipped with a durable reinforced cable.

The DH 6001 H delegate headphone offers excellent listening quality with emphasis on speech intelligibility combined with high fidelity sound built into an extremely solid package.

Features

The DH 6001 has the following standard features:

- Light-weight, comfortable fit with adjustable headband
- Excellent audio quality for improved speech intelligibility
- Mono, 90-degree connector with durable reinforced cable
- Replaceable soft earpads
