

Technical Passport

Name: Plastic Nut M3 Black (Nylon, Hexagonal)

Model: M3 Hex Nut Nylon Black

Application: Electronics, 3D Printing, Technical Modeling

Пластиковая гайка M3 чорна (нейлонова, шестигранна)

Technical Specifications:

Type: Hexagonal Nut

Thread Size: M3

Material: Nylon (PA66)

Color: Black

Hole Diameter: ~3 mm

Shape: Hexagonal

Corrosion Resistance: Yes

Electrical Insulation: Yes

Temperature Range: -40°C to +85°C

Application: Electronics, 3D Printing, Modeling
