

INVEST IN THE FUTURE

NOMAD POWER 501

087323

Instant power for quick starts.

1200 A
500 A 1V/CELL

Powerful booster for starting 12 V vehicles in a matter of seconds.

Safe starting for the battery, the user and the vehicle's on-board electronics, thanks to its intelligent starter cable.

A mobile power source always available to recharge electronic devices and stay connected.

Compact and ultra-light: can be taken anywhere by slipping it into your glove compartment or rucksack.

An essential 3-in-1: Booster + Power Bank + Lamp
