DESCRIPTION

Ultra-compact 12V multifunction emergency starter for motorbikes, cars, campers, marine engines, vans, etc.
Powerbank for smart and fast charging of electronic devices both via USB (USB C with Power Delivery; USB A with Quick Charge) and wirelessly.
Equipped with 2 high-intensity LED lights, it becomes a source of illumination when needed. It uses high-efficiency LiPo lithium batteries that allow full and fast charging and ensure compactness and low weight.
Features:

- ultra-compact 12V emergency starter;
- powerbank with USB C output with PD (Power Delivery), USB A output (Quick Charge) and wireless charging;
- powerful light source with 2 high-intensity LED lights and 4 operating modes;
- LED charge level display.

Complete with starting cables, connecting cable and cigarette lighter plug with 2 sockets: USB A and USB C.
