MOTIP Colour Polish

Technical Information

Remove superficial scratches in the lacquered surfaces of your car with MOTIP Colour Polish. The polish contains pigment which masks the superficial scratches. Colour Polish gives your car glossy result and restores the original car colour. Colour Polish is lightly polishing, protects against the weather, reduces the adhesion of dirt and contains silicones.

Ord.-no: 000746, 000747, 000748, 000749, 000750, 000751, 000752

Quality & properties

Contains pigment
Slightly polishing
User-friendly
Protects against weather influences
Gives a glossy result
Restores the original colour
Reduces the adhesion of dirt
Contains silicones

Physical & chemical data

Base: Pigment, abrasives and PE Wax
Colourname:
◦ white
◦ black
◦ blue
◦ light red
◦ grey
◦ green
◦ red
Smell: Characteristic
Surfaces: Lacquered surfaces, both metallic and non-metallic
Minimum Working Temperature: 10 °C
Maximum Working Temperature: 25 °C
pH value: 8
Flash point: >100
Storage stability: 5 years
Content: 500 ML

How to use

Before use, carefully read the directions on the packaging and act accordingly.
Store frost-free.
Do not use in the blazing sun.
Shake thoroughly before use.

Apply Colour Renovator with a moist cloth and polish.
Allow to dry and polish to high gloss with a dry, clean cloth.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

As of August 4, 2025 – This release replaces all eventually earlier issued versions.
