

MOTIP Speed Wax

Technical Information

Give your car a lasting gloss with MOTIP Speed Wax. Speed Wax is suitable for painted, plastic and chromed parts of the car. The wax is water-repellent and reduces the adhesion of dirt. Speed wax is ideal for larger surfaces, is pH-neutral and non-polishing and contains silicones.

Ord.-no: 000710

Quality & properties

- Very effective
- User-friendly
- Ideal for larger surfaces
- Water repellent
- Lasting gloss
- Reduces the adhesion of dirt
- Protects against weather influences
- pH-neutral
- Non-polishing
- Contains silicones

Physical & chemical data

- Base: Silicone oil with perfume
- Colourname: no colour
- Smell: Characteristic
- Surfaces: Lacquered, plastic or chrome-plated parts
- Minimum Working Temperature: 10 °C
- Maximum Working Temperature: 25 °C
- Flash point: n.a.
- Storage stability: 10 years
- Content: 600 ML

How to use

- Before use, carefully read the directions on the packaging and act accordingly.
- Do not use in full sunlight.
- The aerosol should have room temperature. Best processing temperature 5 to 30°C.
- Before use, shake the aerosol.
- The surface should be clean and dry.
- Apply Speed Wax in a thin, equal layer and distribute with a soft cloth.
- Allow to take effect for one minute and polish to gloss.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

As of August 4, 2025 – This release replaces all eventually earlier issued versions.
