

# GEARBOX SPECIFICATION

Model: TSN-2B (TSN.02.102)

Purpose: Power transmission unit for conveyor systems TSN series.

Parameter	Specification
Type	Horizontal gearbox
Application	Manure & feed conveyor TSN-2B
Gear ratio	According to design
Housing material	Cast iron
Shaft material	Alloy steel
Lubrication	Oil bath
Mounting position	Horizontal
Operating temperature	-20°C to +40°C
Manufacturing standard	Factory specification

Manufacturer: Mochalin Agro

Country of origin: Ukraine
