

Ignition Units

EBI4 series

Description

The EBI4 series is electronic ignition units for intermittent ignition between 2 electrodes or 1 electrode and frame in small and medium size oil or gas burners. Low weight and small dimensions, due to high frequency operation, makes the EBI4 series very suitable for use in modern compact burners. Connections with a plug on the primary side and bushes on the secondary side make installation and service quick and simple.

Features & Benefits

- 1- or 2-pole ignition
- Low power consumption due to high efficiency (new technology)
- Earth connection through the primary cable
- Same dimensions and flexible mounting as the well-known EBI series
- CE-marking in accordance with the directives: EMC, LVD, RoHS

Applications

- Oil burners
- Gas burners

Functions

EBI4

- Oil/gas burners
- 2-pole ignition
- 33% ED at 60 °C
- Top or front connection for secondary cables
- 230 V

EBI4 M

- Oil/gas burners
- 2-pole ignition
- Secondary mid-point connected to earth/frame
- 33% ED at 60 °C
- Top or front connection for secondary cables
- 230 V

EBI4 1P

- Gas burners
- 1-pole ignition between 1 electrode and frame
- 33% ED at 60 °C
- Top or front connection for secondary cables
- 230 V

Product details

General data

Type	EBI4	EBI4 M	EBI4 1P
Mains connection	230 V - 0.25 A - 50/60 Hz - 60 VA		
Working range	187 - 255 V		
Main fuse	max. 10 A		
Secondary connection*	15 kV amp.	2 × 7.5 kV amp.	12 kV amp.
Short circuit current	40 mA (rms)	40 mA (rms)	40 mA (rms)
Frequency	20 kHz	20 kHz	20 kHz
ED in 3 minutes (cutting in)	33% at 60 °C		
Ambient temperature	-10°C to +60 °C		
Storage temperature	-25°C to +85 °C		
Enclosure	IP 40 (Not for secondary connections)		
Primary connection	<ul style="list-style-type: none"> • 3 × 0.5 mm² cable with special plug • 3 × 0.75 mm² cable with standard AMP connection 		
Secondary connections	2 × Ø4 mm plugs		1 × Ø4 mm plugs
Earth connection	Through the primary cable		
Distance between electrodes	Recommended 2.5 mm to 5.0 mm		
Weight	235 g		

* Avoid use of divergent electrodes due to risk of electrical cable break down and too high ignition voltage.

Design

EBI4	EBI4 M	EBI4 1P	a: Left terminal b: Right terminal c: Earth connection
a+b+c	a+b+c	a+b	

Weight	EBI4	EBI4 M	EBI4 1P
Gross weight	0.248 kg	0.248 kg	0.252 kg
Net weight	0.247 kg	0.24 kg	0.251 kg
Volume	0.402 Liter	0.281 Liter	0.402 Liter

Certificates, declarations and approvals

The list contains all certificates, declarations, and approvals for this product type. Individual code number may have some or all of these approvals, and certain local approvals may not appear on the list.

When you click on the link you will be directed to the latest version of the 'Declaration of Conformity'. Products developed and sold before this date of issue conform to the directives/standards in force at the time of their sale.

Approval type	Title	Certification body	Approval topic

Online support

Danfoss offers a wide range of support along with our products, including digital information, software, mobile apps and expert guidance. See the possibilities below.

The Danfoss Design center

Discover the Design Center, our advanced digital platform that streamlines product selection. With integrated tools and enhanced type pages, it's simpler than ever to access product information and documentation, and to select the right products. Check the availability of Danfoss products at partner locations and enjoy seamless transitions from selection to purchase with our basket-to-basket functionality. Whether you're buying from our distributors or directly from the Product Store, the Design Center simplifies your experience. Learn more at: designcenter.danfoss.com.

The Danfoss product store

The Danfoss Product Store is a one-stop shop available 24/7 for our customers, no matter where you are in the world or what area of industry you work in. Browse our catalog, check product details and documentation, view your prices and product availability, and quickly finalize your purchase. Start browsing at: store.danfoss.com.

Danfoss Partner Portal/Product Data tool

Designed to support you with easy access to product data extracts, essential resources, tools, and information. The Partner Portal provides a centralized hub for product documentation, training materials, marketing assets, and technical support, ensuring you have everything you need to succeed and grow your business with Danfoss. The Partner Portal is available 24/7 at: partner.danfoss.com and is ready to support your business.

Find technical documentation

Find technical documentation you need to get your project up running. Get direct access to our official collection of data sheets, certificates and declarations, manuals and guides, 3D models and drawings, case stories, brochures, and much more. Start searching now at: documentation.danfoss.com.

Danfoss Learning

Danfoss Learning is a free online learning platform. It features courses and materials specifically designed to help engineers, installers, service technicians, and wholesalers better understand the products, applications industry topics, and trends that will help you do your job better. Find your local Danfoss website here: learning.danfoss.com.

Get local information and support

Local Danfoss websites are the main sources for help and information about our company and products. Find product availability, get the latest regional news, or connect with a nearby expert - all in your own language. Find your local Danfoss website here: danfoss.com.
