

Specification – Spare Parts for ZM-90 Grain Loader

1. General Information:

- Product Name: Spare Parts for ZM-90
- Application: Grain Loader ZM-90
- Category: Agricultural Machinery Parts

2. Product Range:

- Sprocket Z-7
- Drive Shaft
- Conveyor Chain
- Bearing Housing
- Tension Roller
- Support Brackets
- Other components for ZM-90

3. Technical Specifications:

- Material: Steel 45 / Alloy Steel / Hardened Steel
- Manufacturing: Precision machining
- Heat Treatment: Yes (for wear resistance)
- Compatibility: Fully compatible with ZM-90

4. Key Advantages:

- High wear resistance
- Long service life
- Reinforced конструкции
- Точное соответствие оригинальным размерам
- Быстрая установка без доработок

5. Operating Conditions:

- Temperature range: -20°C to +50°C
- Working environment: Grain, dust, moderate humidity

6. Quality Control:

- Проверка геометрии
- Контроль материалов
- Испытания на нагрузку

7. Supplier Contacts:

- Phone: +380995324448
- Email: mochikry@gmail.com
