

Specification

Tube 16.5/70-18 for NTS-5 Semi-Trailer (Kabat)

Product Name: Tube 16.5/70-18

Application: Agricultural semi-trailer NTS-5

Manufacturer: Kabat

Model: 16.5/70-18 v3.02.15-Kabat

Technical Specification:

- Tube type: Pneumatic inner tube
- Tire size compatibility: 16.5/70-18
- Valve type: Standard agricultural valve
- Material: High-quality butyl rubber
- Air retention: Increased resistance to pressure loss
- Resistance: Wear, cracking and aging resistance
- Operating conditions: Agricultural and transport applications
- Installation: Suitable for compatible 16.5/70-18 tires

Advantages:

- Reliable air retention
- Durable butyl rubber construction
- Suitable for intensive agricultural use
- High resistance to deformation and mechanical loads

Equipment:

- 1 × Inner tube 16.5/70-18
