

SPECIFICATION

Conveyor Belt Connector (Lock) for Header Transporter Belt

Product Name: Conveyor Belt Connector (Lock) for Header Transporter Belt

Application: Headers ZHVN, ZHRB, ZHBV, ZHZB

Catalog Numbers: 54-10264B / 54-10265B

Product Type: Transporter belt connecting lock

Purpose: Reliable connection of transporter belt sections in agricultural headers.

Material: Steel

Industry: Agricultural machinery spare parts

Condition: New

Manufacturing: Industrial production

Key Features

- Strong and durable construction
- Ensures secure belt connection
- Suitable for agricultural harvesting equipment
- Easy installation and replacement
- Compatible with specified header models
