The uvex phynomic series is ideal for all types of work where a high level of feeling is required. These safety gloves are like a "second skin" and are especially light and flexible – without making your hands immediately sweaty. The flexible, non-slip aqua-polymer pro coating reliably repels dirt and moisture.

### Features

- Ergonomic fit
- Good grip
- Excellent abrasion resistance
- Very good tactile feel

### Suitability for industrial working environments

- Suitable for wet and oily work environments
