

TOB9S-VAP User Manual

I. Safety Information

Warning: To avoid danger of suffocation, keep this bag away from babies and children. Do not use this bag in cribs, beds, carriages, or play pens. This bag is not a toy.

II. Product Name

Voltage protector

III. Brand

TOMZN

IV. Model Number

TOB9S-VAP

V. Instructions for Use

1. After receiving the product, please have an electrical professional perform the operation.
2. Connect the equipment in accordance with the wiring diagram specifications.
3. According to the instructions, adjust the equipment parameters.

VI. Precautions

1. Do not place the device near flammable materials.
2. Ensure adequate ventilation during operation.
3. Disconnect from power and store properly when not in use for extended periods.

VII. Applicable Regulations and Harmonized Standards

Low Voltage Directive 2014/35/EU

Electromagnetic compatibility Directive 2014/30/EU

Restriction of the use of certain hazardous substances (RoHS) Directive 2011/65/EU

VIII. Function Overview

When the voltage in the circuit is too high or too low, the equipment will automatically cut off the circuit.
