

## Product data sheet for uvex u-chem 3300

### Manufacturer address

UVEX SAFETY Gloves GmbH  
Elso-Klöver-Str. 6  
D-21337 Lüneburg  
uvex-safety.de

The uvex u-chem 3300 is a highly sensitive chemical protection glove certified to EN ISO 374-1:2016/Type A (J K L O P T). The bamboo fibre used in this model is particularly kind to skin and is comfortable to wear even for long periods, making it ideal for a whole host of applications.

### Features

- Very good tactile feel
- Extremely flexible
- Good grip

|                                                      |                                                                                                                                         |
