Renovation agent for varnished floors - matt (1000 ml)

SKIRTING BOARD: WENGE 15x80 SU80L

Baltic Wood floors are manufactured only from natural wood, and that is why the shade, occurrence of knots, ring pattern and grain structures of particular elements - boards, slats etc. - can differ from one another as well as in relation to the photos included in all Baltic Wood marketing materials. The natural variation can be noticed when comparing the final product with the samples presented at the exposition. The wood variety is a natural feature of this noble raw material, determining its beauty and uniqueness..
